

**Parent Association Meeting Minutes
April 12, 2018
9am - 10:30am
Mt. Nebo Campus Student Union**

I. Meeting Called to Order

- * The meeting was called to order by Shawna Haynes.
- * Shawna Haynes opened us in prayer.
- * The following were in attendance: Shawna Haynes, Vicki Bonzo, Tracy Jennings, Angie Nacey, Kathy Chopp, Christine Kaniecki, Tonja Johnson, Jodi Fleishman, Sarah Detar, Kristy Sosso, Joyce Ricci, Rebecca Martelli, Carrie Powers, Chris Simonette, Mandy Jabbour

II. Introductions

- * Shawna introduced Chris Simonette, from the Mount Nebo campus, as the new Spirit Wear Coordinator.

III. Budget

- * Reported by Shawna Haynes for Jenna LoDico. There was about a \$1600 balance prior to the ice skating event for which about \$300 went to purchase hot chocolate and donut holes. There are also outstanding receipts from the teacher luncheon to be recorded on the next budget report. There will also be an addition of \$139.32 for Spirit Wear sales.
- * As in past years it has been agreed upon that the Parent Association will tithe \$100 to an Eden family in need. This year it has been decided to bless one family at each campus. Funds leftover after this will carry over to cover fall expenses such as new student t-shirts for the picnic and spirit wear for cash and carry sales.

IV. Berkeley Hills Update-Sarah Detar

- * Teacher luncheon to take place April 19th. It will be a luau theme.

V. Wexford Update-Tracy Jennings

- * Teacher luncheon on March 21st went well. They did a garden theme and served a variety of salads. One note for next year is to make sure there is some sort of “just meat” for any men who may be present ;)

VI. Mount Nebo Update-Rebecca Martelli

- * Teacher Luncheon to take place April 18th. Note for Teacher Luncheon desserts in the future is to have a variety of “grab and go” options rather than something that requires a plate and fork.
- * Date sill needs to be decided on for the senior cap and gown group picture. This will be announced at the next PA meeting.
- * Just as last year, the PA will mail the picture home over the summer rather than hand it out at the senior breakfast. This was well received last year.

VII. Updates on upcoming events and review of recent events

- * Spirit Wear Sale that took place March 5th-20th made \$139.32. Delivery at each campus went very smoothly.
- * Elementary Skate that was held on March 23rd went well. Not as many in attendance as last year. All 500 donut holes were consumed!

VII. Other agenda items and closing

- * Note that next month’s meeting will be May 3rd
- * Opportunities to serve next year include Vice President as well as Secretary.
- * Discussions are being had about an Ambassadors Club to help connect new Eden families with current Eden families. Update to come in May.
