

## WHAT ARE YOUR PLANS FOR THE SUMMER of 2018?

Here is a list of great programs that are **CHALLENGING, FUN,** and will provide you with **VALUABLE NEW EXPERIENCES.**

### Mrs. Cischke's Tips:

**If you missed this year's deadline, or do not meet age requirements yet, write down the information and put it on your calendar for the summer of 2019!**

**Take a picture of this board with your iPad so you can research more about these options with your parents and make an informed decision.**

**If you need a letter of recommendation, or a copy of your transcript for the application, please stop by my office or send me an email at [bcischke@edenca.org](mailto:bcischke@edenca.org)**

**Note: Eden Christian Academy does not have any direct affiliations with these opportunities**

**Pittsburgh Center for the Arts:** Workshops available in photography, ceramics, metals, graphic design, and more!

<http://pca.pittsburgharts.org/education/summer-camps/browse-camps/schedule?grouping=All&subject=All&level=28&=Apply>

Students visit sites of our nation's capital and debate key issues and they get a look "inside politics." Programs include Entrepreneurship and Global Business, Future World Leaders Summit, Science, Technology, Communications and Journalism, Public Policy, Law & Justice in a Democracy, and National Security in a Democracy. <http://millercenter.org/about/programs>

## **Stanford Summer Institutes**

The EPGY Summer Institutes are three-week and four-week residential programs for academically talented and motivated high-school students. The Summer Institutes provide an opportunity for these students to enrich and accelerate their academic pursuits and to meet others who share their interests and abilities. Past EPGY Summer Institutes participants have come from over 30 countries and over 45 states, and every student leaves with a sense of academic accomplishment, new friends, and fond memories of a wonderful time spent at Stanford University. Summer Institutes subject areas include mathematics, science, writing, humanities, computer science, engineering, business, and music. The instructors are assisted by undergraduate and graduate student mentors who have expertise in the course subject areas. These mentors serve a dual role of Residential Counselor and Teaching Assistant so that the academic and social aspects of the program are tightly integrated.  
<http://epgy.stanford.edu/summer>

**Summer Discovery** Five amazing campuses and over 300 courses! Enjoy pre-college enrichment at UCLA, UC Santa Barbara, UC San Diego, U. of Michigan, Georgetown, and Northeastern University. Visit [www.summerfun.com](http://www.summerfun.com)
