Joining a Class

Once your student <u>account has been created</u> and you're able to log in to Showbie, follow these simple steps to join another class.

- Open Showbie and click on the +
- Enter the <u>class code</u> provided by your teacher then tap *Join*

Don't have a code yet?

Ask your teacher for their class code. If your teacher doesn't know their code, they can find it in their class settings.

---> If you are having trouble creating your account or joining your class, you can email Mrs. Potter (<u>apotter@edenca.org</u>) for assistance.
